

UrbanAmish Town- House of the Month #4 of 9

House 3

HOUSE FOUR CONSTRUCTION

Houses 1 through 9

Colors needed:

- Sky**
- Roof**
- Chimney**
- (Can be same as Door Center Color)**
- Lighter Siding**
- Darker Siding**
- Door Frame**
- Door Center**
- Window Frame**
- Window Pane**

Square	Color Used	# of Squares	Fabric sizes of to cut	Type of Square
A	Sky	9	2 1/2"	Square
B	Sky and Chimney	1	1 1/2" x 2 1/2" Cut 1 of each color	Half-Rectangle Square
C	Sky and Lighter Siding	2	2 7/8" or 3" Cut 1 of each color	Half-Square Triangle
D	Roof and Lighter Siding	2	2 7/8" or 3" Cut 1 of each color	Half-Square Triangle
E	Roof	5	2 1/2"	Square
F	Roof and Chimney	1	2 7/8" or 3" Cut 1 of each color	Half-Square Triangle
G	Sky and Chimney	2	2 7/8" or 3" Cut 1 of each color	Half-Square Triangle
H	Lighter siding & Window Frame	2	2 7/8" or 3" Cut 1 of each color	Half-Square Triangle
I	Lighter Siding	10	2 1/2"	Square
J	Darker Siding	12	2 1/2"	Square
K	Window and Window Frame	2	1 1/2" x 2 1/2" Cut 2 of each color	Half-Rectangle Square
L	Darker Siding and Window Frame	2	1 1/2" x 2 1/2" Cut 2 of each color	Half-Rectangle Square
M	Lighter Siding and Window Frame	2	1 1/2" x 2 1/2" Cut 2 of each color	Half-Rectangle Square
N	Window and frame	2	1 1/2" x 2 1/2" Cut 2 of each color	Half-Rectangle Square
O	Door and Door Frame	2	2 Door 1 1/2" sq. 2 Door Frame 1 1/2" sq. 2 Door Frame 1 1/2" x 2 1/2"	Qtr-Square Square
P	Window and Window Frame	4	4 Window 1 1/2" sq. 4 Window Frame 1 1/2" sq. 4 Window Frame 1 1/2" x 2 1/2"	Qtr-Square Square
Q	Door and Door Frame	4	1 1/2" x 2 1/2" Cut 4 of each color	Half-Rectangle Square

UrbanAmish Town General Instructions

MAKING THE HOUSE BLOCKS

All house blocks are 16" square finished size. They are entirely made up of 2 1/2" squares, 2 1/2" **half-square triangle**, 2 1/2" **half-rectangle square** units or 2 1/2" **quarter-square** units.

If you are unsure how to make **half-square triangle** units read the following section. **Half-rectangle squares** are assembled by sewing two 2 1/2" x 1 1/2" rectangles together to make a 2 1/2" square.

Quarter-square units are sewn from two 1 1/2" squares and one 1 1/2" rectangle.

ASSEMBLING HOUSE BLOCK

Assemble each house row by row.

Alternate the pressing of the seams in each row to facilitate the corner points of the squares lining up nicely.

HOW TO MAKE HALF-SQUARE TRIANGLES NEEDED FOR THE HOUSE BLOCKS

You need two 2 7/8" squares to make a pair of half-square triangles.

- Layer two corresponding 2 7/8" squares right sides together. (Assemble pairs as specified for each house.)
- Draw a line diagonally from corner to corner on the back of the lighter colored square.
- Sew a scant 1/4" in from the drawn diagonal along either side.
- Cut apart along drawn diagonal.
- Press to set stitches then press open with seam allowance toward the darker side.
- Place 45 degree diagonal line of ruler on seam, trim squares down to 2 1/2" inches if needed. Each pair of 2 7/8" squares makes two 2 1/2" half-square triangles.

Note: If you are not confident that you can sew a scant 1/4" seam or simply don't like cutting fabrics at 1/8" increments there is an alternative. Start out with a 3" square rather than a 2 7/8". You simply trim to the right size at the end and no one will know the difference but you will be much more confident about the accuracy of your final half-square triangles.
