

JANUARY 2025 BOM | LOG CABIN

STOP!!! ALERT!!! DO NOT MAKE THIS BLOCK until... I will be giving out the two 2.5" x 2.5" squares at the December meeting which will be needed to coordinate these blocks; they will be the same fabrics to start for everyone and you will finish it with your own stash, following the 'rules'. Trying something new!

Rules, using 1/4" seams:

- Use the two provided 2.5" squares to start
- Use all prints for the 'scrappy colors' half
- White and light gray low-volume or reading solid for the other half
- You will make an unfinished 14.5" block

Cut the pieces as indicated:

You will cut 5 white/gray and 6 colors from your stash according to the dimensions in the diagram.

Lay out all of your pieces; you will piece them in the order as indicated in the diagram by the circled numbers.

This is a Jelly Roll-friendly block!!

I will have 23 sets of the two 2.5" squares at the December meeting for anyone who wants to participate; including mine, there will be 24 blocks total.

My hope is that they are all returned and we can have two winners collect 12 blocks each, to make a 42x56" quilt...
