

November 2026 BOM | Columns

This initially started out as a three-column 18- $\frac{1}{2}$ " block, but I decided to scale it back and make it a quick finish instead. Holidays will be here before we know it!!

Rules, using $\frac{1}{4}$ " seams:

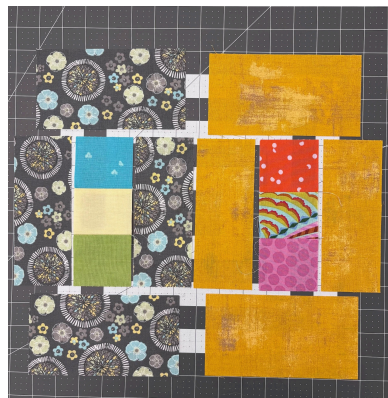

- Colors: Scrappy!
- One column is **solid squares framed by a print**, the other is **print squares framed by a solid**.
- Choose fabrics that go with each other **IN THE COLUMN**. The columns **DO NOT HAVE TO GO WITH EACH OTHER!**
- When the block is completed you will have a 12- $\frac{1}{2}$ " square block...**DO NOT TRIM!**

Cut:

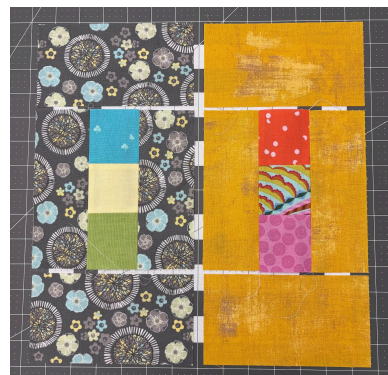

(3) 2- $\frac{1}{2}$ " SOLID squares (3) 2- $\frac{1}{2}$ " PRINT squares
(2) 2- $\frac{1}{2}$ x 6- $\frac{1}{2}$ " PRINT (2) 2- $\frac{1}{2}$ x 6- $\frac{1}{2}$ " SOLID
(2) 3- $\frac{1}{2}$ x 6- $\frac{1}{2}$ " PRINT (2) 3- $\frac{1}{2}$ x 6- $\frac{1}{2}$ " SOLID

The 2- $\frac{1}{2}$ x 6- $\frac{1}{2}$ " pieces are vertical, to the side.
The 3- $\frac{1}{2}$ x 6- $\frac{1}{2}$ " pieces are horizontal, above and below.

Piece each of the 2- $\frac{1}{2}$ " squares to make the two columns of squares, like a snowman.

Press seams open.

Piece the vertical 2- $\frac{1}{2}$ x 6- $\frac{1}{2}$ " rectangles to each side of the 'snowman'. Press seams open.

Keep the solid 'snowman' with the prints...
Keep the print 'snowman' with the solids...

Piece the horizontal 3-½ x 6-½” rectangles to the tops and bottoms of the columns.

Piece the columns together.

Press all seams open.

There you have it!

I can't wait to see what the final quilt looks like, all sorts of scrappy and fun!!

This block finishes at 12-½” x 12-½” ...do not trim!

P.S. I know my one solid square has a few clovers on it, and my solid 'frame' is really a Grunge, and therefore not truly solid...but this is the look I was going for 🌸🌸🌸
