

SQUANGLE | APRIL BLOCK OF THE MONTH

The theme of this block is teals, pinks and oranges! The unfinished block is $12\frac{1}{2} \times 12\frac{1}{2}$; finished block is 12×12 . I've never designed a block before this one! Trying new things : D

Fabric **Cuts**:

A: $1\frac{1}{2} \times 10\frac{1}{2}$

B1: $1\frac{1}{2} \times 9\frac{1}{2}$

C1: $3\frac{1}{2} \times 3\frac{1}{2}$

D1: $1\frac{1}{2} \times 6\frac{1}{2}$

E1: $2\frac{1}{2} \times 6\frac{1}{2}$

F: $2\frac{1}{2} \times 8\frac{1}{2}$

G1: $1\frac{1}{2} \times 6\frac{1}{2}$

H: $6\frac{1}{2} \times 6\frac{1}{2}$

I: $2\frac{1}{2} \times 2\frac{1}{2}$

B2: $2\frac{1}{2} \times 2\frac{1}{2}$

C2: $2\frac{1}{2} \times 2\frac{1}{2}$

D2: $2\frac{1}{2} \times 8\frac{1}{2}$

E2: $2\frac{1}{2} \times 4\frac{1}{2}$

G2: $2\frac{1}{2} \times 2\frac{1}{2}$

Mine!

Brights? Muted? I can't wait to see what you've chosen...

So my math worked out (yay!) and I had to make an adjustment to my original drawing to make it piece together properly, but I figured it out:

SQUANGLE | APRIL BLOCK OF THE MONTH

Using ¼" seams and pressing open:

1. Piece E2 to B2 on their 2-½" sides
2. Piece G1 to H [left side] and E2/B2 to H [right side]
3. Piece D1 to **TOP** of E1 along their 6-½" sides
4. Piece C1 to D1/E1 [left side]
5. Piece B1 to **TOP** of C1/D1/E1

6. Piece B1/C1/D1/E1 onto G1/H/E2/B2
7. Piece F to I
8. Piece C2 to G2
9. Piece C2/G2 to D2

SQUANGLE | APRIL BLOCK OF THE MONTH

10. Piece A to left side of B1-E1+G1-B2 then,
11. Piece F/I to right side
12. Piece D2/C2/G2 to bottom and.....

Ta Da!!!!

You've made a
Squangle!

[squares + rectangles]
